# About US

KBS, specializing in manufacturing ceiling fan light since 2014, is located in Zhongshan city. By taking advantage of this international lighting city, KBS have been exported premium ceiling fans to more than 55 countries and been partners of branded lighting companies, contractors, chain supermarket globally especially in North America, Europe, Asia, Central and South America, etc.

Our advantages: experience, price, delivery speed, overseas warehouse, worry-free after-sales service!  
Our guarantee: quality, service, patent, exclusive supply and marketing!

## Company Certified

## 3D Modeling Department Equipped

Benefiting from the passionate, creative and professional R & D team, 20-30 new designs are launched per month. This makes us fully be competent to support wide variety of OEM and ODM cooperation.

## Overseas Warehouse

We have warehouses and teams in the east and west of the USA, we can deliver goods instead of you! The ceiling fans launched by our company are of popular design, good quality and fast delivery. Every month, at least 10 new designs and 10 containers of fans are delivered to American warehouses. We also have a perfect after-sales team, so you don't have to worry about after-sales' problems!
